### About Me

I am a frontend developer with limited commercial experience as a freelancer, a few projects made for non-profits, and several pet projects completed on my learning journey.

I have a firm grasp of key SEO and design principles and can use a range of Adobe products, Figma, and InVision. My vast experience as an educator and a Teacher Trainer has taught me outstanding communication skills and made me an eager and fast learner.

### Professional Experience

April 2022 – Present **Freelance**  
*Frontend developer*

- developing single-page responsive websites (CV, landing pages, etc.);

2020 Dec – 2021 Jun **Room 8 Studio**  
*Narrative designer/content reviewer (TRIVIAL PURSUIT®)*

- writing in-game text in English using HTML tags;
- Guidebook supplementation on Notion;
- reviewing in-game text and ensuring its consistency with TT.

2016 May – 2020 Dec **Skywind Group**  
*Curriculum designer/English teacher*

- curriculum design (developing materials and delivering blended courses via LMS);
- teaching General and Business English;
- setting up and managing courses of other foreign languages.

2012 Oct – 2016 May **Netcracker**  
*English teacher*

- planning lessons and teaching Business and General English in groups and individually;
- creating educational content in Confluence and monthly newsletters.

### My Hobbies

- sci-fi and pop-sci literature;
- table-top and video games;
- non-profit activities in the spheres of education and inclusivity.
